

# WARNING:

TOBACCO ADDICTION AND DISEASE.  
NOW IN ASSORTED FLAVORS.

Tobacco companies are at it again. They are scheming to hook another generation, selling tobacco products in flavors like gummy bear, banana smash and “smooth menthol.” Right now, there are over 7,000 e-cigarette and cigar flavors alone. 81% of youth who have used tobacco started with a flavored product, and over half of youth smokers use menthol cigarettes. That’s why the Contra Costa County Board of Supervisors should end the sale of all flavored tobacco products, including menthol cigarettes.

**Tell the Board of Supervisors: Protect kids.  
End the sale of all flavored tobacco products.**
